# Meet the Team

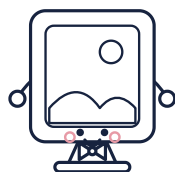

Every friend has a special job to do. Draw a line from **each friend** to the **job they do**. Can you match all six?

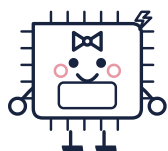

**Keyboard**

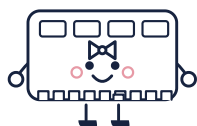

**Mouse**

**Screen**

**CPU**

**RAM**

**Hard Drive**

☐ I keep everything safe – even when the computer is switched off.

☐ I turn your taps into words.

☐ I am the brain. I think super-fast!

☐ I show you pictures, words and videos.

☐ I help you point, click and choose things.

☐ I remember what you are using right now.

Grown-ups' answer key: Keyboard → B Mouse → E Screen → D CPU → C RAM → F Hard Drive → A

# Spot the Bow Ties

Every computer friend wears a bow tie 🎀 ... and a few **extra bow ties are hiding** on other things too! Hunt them all down, count them, and write your total in the box.

How many  
bow ties?

**Grown-ups' answer:** there are 11 bow ties to find – one on every friend, plus a few hiding on the plant, the book, the mug and the Professor's portrait on the wall.
